

Repro Study Hub

Lecture ID Reference

Shortform: **rpdx**. Each Repro lecture is assigned an ID of the form **rpdx**. Lectures delivered as combined multi-session blocks use the **rpdx-xx** span format (e.g. **rpdx05-06**, **rpdx10-11**, **rpdx43-44**).

Source of truth: Repro Lecture Checklist.xlsx (Logistics/). 41 unique lecture IDs covering 44 class sessions — 38 single-session lectures and 3 spanning two sessions each. Non-lecture schedule items (Foundational Rounds, assignment deadlines, exams, optional reviews) are excluded.

ID	Lecture Title	Course	Date
rpdx01	Urogenital Primer	Embr	Wed 2026-04-08
